

Compass

Game Suggestions:

(N)ever (E)at (S)limy (W)orms

Accessories: None

Practice directions N - E - S - W by answering questions. E.g. Name a city north of here? Who lives South of the school? etc.

360°

Accessories: Chalk

Draw a circle around the compass. Mark 90°, 180°, 270° and 360°.

Take turns giving the other player/team assignments e.g. Move 45, 120 or 150° from north towards south.

Multiplication

Accessories: Bean bag

Divide into two teams. Standing at an appropriate distance, the player throws a bag at the compass. The other team must then tell in which direction the bag landed. E.g. the bag landed to the North East.

Take turns throwing the bag.
